

STARAYA LADOGA

RUSSIA

POST CARD

Dinners take hours here and nobody rushes, which suits me fine.

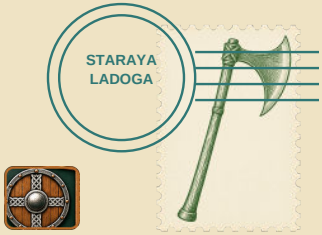

Rurik supposedly ruled from right here, if the old chronicles are true.

I climbed up on the fortress wall for a look at the whole river bend.

Nobody warned me how far this feels from anywhere else.

Keeping up with new puzzles for you is starting to be a challenge!

Love,
Aunt Liv

FUN FACT

A wooden stick carved with Viking runes was found here — probably a scrap of poetry, and one of the oldest runic finds in Russia.
