

ROUMARE FOREST

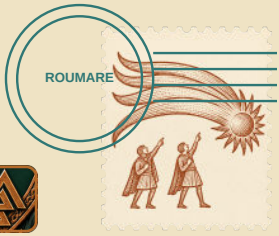

NORMANDY

POST CARD

Rollo's own Normandy, and this little forest just outside Rouen has a local legend all its own, though nobody can really pin the story down.

What I can tell you is the wild boars are real: I counted a few slipping through the beech and oak, and for every one I actually saw, I'd bet good money there was a second one just out of sight.

With love,
Aunt Liv

FUN FACT

In the year 911, the Treaty of Saint-Clair-sur-Epte handed Rollo all of Normandy, with Rouen as his new capital: the deal that turned a Viking raider into a duke.
