

HEDEBY

GERMANY

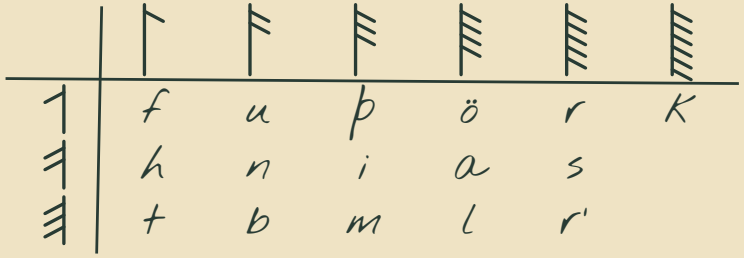

POST CARD

Today: Hedeby — barely a Hedeby left. From here I'm turning south: nothing but Mediterranean weather for the rest of this trip.

A woodcarver showed me how the old branch-runes worked — count the branches one way for the family, the other way for the letter.

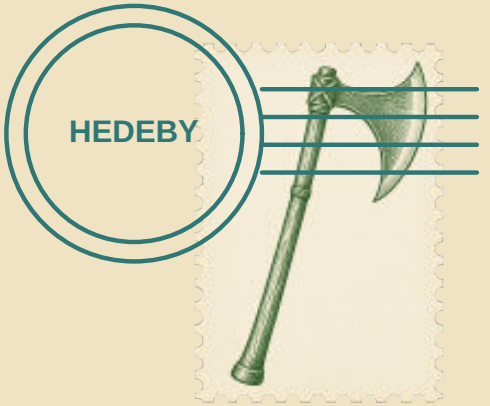

Love,
Aunt Liv

his Key, copied out:

(left branches = which row. right = where in it.)

FUN FACT

During his war with Denmark, Harald burned Hedeby to the ground — sailing burning ships straight into the harbour.
