

CHÂLUS

HAUTE-VIENNE

POST CARD

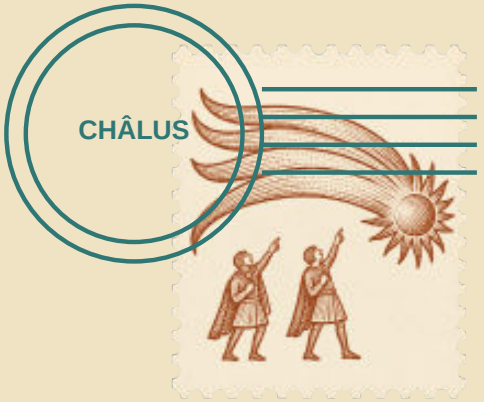

Châlus, where Richard the Lionheart's whole story ends.

He was besieging a tiny castle here over a supposed treasure hoard, of all things, when a crossbow bolt caught him in the shoulder.

Found an old carving near the gate of a bolt just like the one that got him.

With love,
Aunt Liv

FUN FACT

Richard the Lionheart (a direct descendant of Rollo) was shot here in April 1199. Legend says he pardoned the archer before he died.
