

BJARNARHÖFN

ICELAND

POST CARD

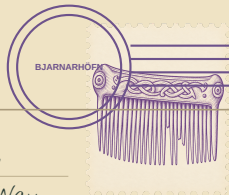

At her brother's harbor – the one Aud wintered in.

I've read everything I could find about her this trip, to the point that she feels like family (and she actually maybe was).

It was so awesome to find that comb alongside the coins, and the museum let me keep it!

This is actually the real treasure, a piece of history that we can use!

With love,
Aunt Liv

FUN FACT

Bjarnarhöfn means "Björn's harbor," named for Aud's own brother, whose land this was. She wintered here before pushing on to found Hvammur herself.
