

OSLO

NORWAY

POST CARD

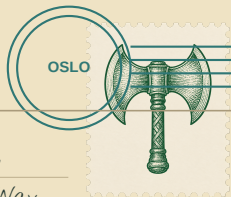

I'm spending a whole week in Oslo, so much to do!

It's Harald's city and the obvious place to begin with him – so much Viking history.

Found the quirkiest little museum near the harbour, all about hnefatafl, the chess-like old board game the Vikings loved and that we used to play with our own rules when you were younger.

Grabbed you a little souvenir from the gift shop so you can try – can you get the King to escape in exactly 3 moves? Count how far he travels each time.

Love,
Aunt Liv

FUN FACT

Snorri's saga credits Harald with founding Oslo around 1050 — but a church and cemetery already stood there by the year 1000, and in 2026 archaeologists found a Viking boat grave buried beneath the site of his own royal manor, older than his reign.
