

BJARNARHÖFN

ICELAND

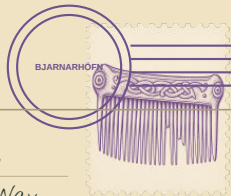

POST CARD

At her brother's harbor – the one
Aunt wintered in.

I've read everything I could find
about her this trip, to the point
that she feels like family (and she
actually maybe was).

It was so awesome to find that
comb alongside the coins, and the
museum let me keep it!

This is actually the real treasure,
a piece of history that we can use!
With love,
Aunt Liv

FUN FACT

Bjarnarhöfn is famous for hákarl:
Greenland shark fermented, then
hung to dry for months. It smells
exactly as bad as it sounds.
