NEWFOUNDLAND AND LABRADOR

## FIRST STOP - L'ANSE AUX MEADOWS

---

Hello, nephew!

As you know, I've spent the last two years travelling and exploring our family history. I've discovered so many fascinating things - and perhaps even a small treasure!

Along with this postcard, you should have received the travel bag I carried everywhere during my journey.

I know how much you love mysteries and puzzles, so I've prepared an adventure for you. There's a surprise locked inside the bag. To open it, you'll need to follow my travels and solve the puzzles I've left behind.

This postcard comes from the first stop on my journey: L'Anse aux Meadows. It should help you get started.

With love,  
Aunt Liv
