

DÖGURÐARNES

ICELAND

POST CARD

Dögurdarnes today.
What a beautiful place, I understand why Aud stopped here during her journey.
I heard you can find some treasure around here, especially historical coins that fetch a pretty penny!
I was mostly interested in the coins that I got at the end of the treasure hunt.
With love,
Aunt Liv

FUN FACT

Dögurðarnes is named after dögurður, the Old Norse day-meal, probably a settler's first meal here.
