

# ESJUBERG

ICELAND

## POST CARD

Esjuberg today.
Another beautiful place that Aud the Deep-Minded visited, my head is spinning with all the amazing landscapes!
Still amazed by the treasures I found! I added it all up on my trusty old counter, and my head is still spinning.
With love,
Aunt Liv

**FUN FACT**

Esjuberg is where Laxdæla saga has Aud meet her brother Helgi, and turn down his offer to settle.
