

BJARNARHÖFN

ICELAND

POST CARD

Bjarnarhöfn today,

One of the stops on my way to follow the path of Aud the Deep-Minded.

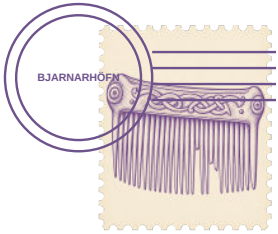

She sailed here with her family and a shipful of followers, then claimed land of her own.

I've read everything I could find about her this trip, to the point that she feels like family (and she actually maybe was).

During my expedition, I managed to find a comb that might have belonged to her. So cool! A piece of history we can use!

With love,

Aunt Liv

FUN FACT

Hákarl is Greenland shark, cured for months. It smells as bad as it sounds.
