

STARAYA LADOGA

RUSSIA

POST CARD

Dinners take hours here and nobody rushes, which suits me fine.

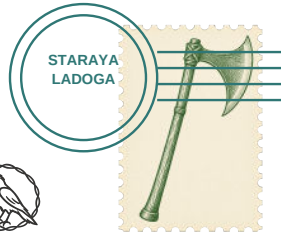

Rurik supposedly ruled from right here, if the old chronicles are true.

I climbed the fortress wall and thought of Harald Hardrada, who may have turned up here as a teenage exile before he became King of Norway.

Nestled in a cosy corner with a hot tea, I've been reading about the old saga and what our potential ancestors achieved.

Knowing how far Harald still had to go makes my own trip feel short.

Love,
Aunt Liv

FUN FACT

A rune stick found here is one of Russia's oldest runic finds.
