POST CARD

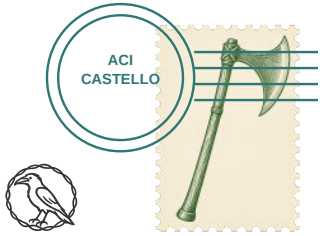

Aci Castello today.

A Norman Castle in Sicily! It's crazy to think how far they travelled!

Being a good tourist, I enjoyed a gelato while walking around the ruins. Little did I know, that is a great way to attract wildlife. A RAVEN followed me the whole time!

Half convinced it was you, checking up on me.

Love,
Aunt Liv

FUN FACT

Aci Castello's rock is lava that cooled underwater into glassy basalt pillars.
