

L'ANSE AUX MEADOWS

NEWFOUNDLAND AND LABRADOR

POST CARD

Hello, my dear explorer!

I spent months travelling to explore our Norse heritage, and I turned it into an adventure for you, with a surprise at the end! Everything you need is in this box.

You will follow Leif, Rollo, Aud and Harald.

Start right here, where Leif Erikson's crew may have camped: the Norse were felling trees at this spot in 1021. Set 1 0 2 1 on my rune wheel and open the envelope with the same runes!

With love,

Aunt Liv

P.S. These postcards were never sent: they're my souvenirs, one from every stop.

FUN FACT

This is still the only confirmed Viking site in North America.
