

# BAYEUX

NORMANDY

**POST CARD**

Today was Bayeux and its famous Norman tapestry. The tapestry was awesome! It tells the story of William the Conqueror (a direct descendant of Rollo!) taking England.

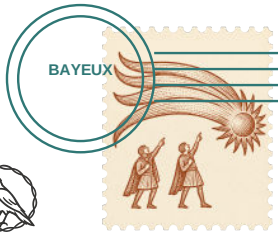

I'm obsessed with the style and you know how much I like to draw, can you find what it means?

Love,
Aunt Liv

**FUN FACT**

The Bayeux Tapestry shows Halley's Comet blazing over King Harold's court just before Hastings.
