

# L'ANSE AUX MEADOWS

NEWFOUNDLAND AND LABRADOR

## POST CARD

Hello nephew!

As you know, I spent a lot of time travelling to explore our Norse heritage. As I travelled, I collected fun stuff for you.

I know you love puzzles, so I created an adventure for you! With a surprise at the end!

You will explore the history of Leif Erikson, Rollo the Walker, Aud the Deep-Minded and Harald Hardrada.

This postcard comes from the first stop of my journey and should help you get started!

With love,
Aunt Liv

P.S. These postcards were never sent: they're my souvenirs, one from every stop.

### FUN FACT

L'Anse aux Meadows was found after a local man pointed out odd bumps in a meadow. It is still the only confirmed Norse site in North America.

# BJARNARHÖFN

ICELAND

POST CARD

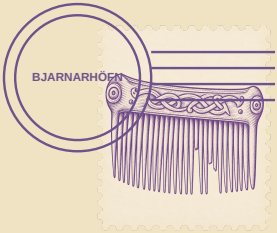

At her brother's harbor – the one Aud wintered in.

I've read everything I could find about her this trip, to the point that she feels like family (and she actually maybe was).

It was so awesome to find that comb alongside the coins, and the museum let me keep it!

This is actually the real treasure, a piece of history that we can use!

With love,
Aunt Liv

**FUN FACT**

Bjarnarhöfn is famous for hákarl: Greenland shark fermented, then hung to dry for months. It smells exactly as bad as it sounds.
