

DÖGURÐARNES

ICELAND

POST CARD

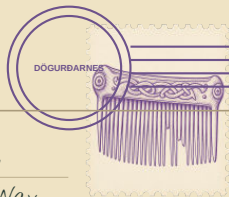

Dögurðarnes today.

What a beautiful place, I understand why Aud stopped here during her journey.

I heard you can find some treasure around here, especially historical coins that fetch a pretty penny!

I was mostly interested in the coins that I got at the end of the treasure hunt.

With love,
Aunt Liv

FUN FACT

Dögurðarnes takes its name from dögurður, an Old Norse word for the day's main meal — a rest stop preserved in the map itself, long before it was a place anyone lived.
